Dear Brother Chalk:

This will confirm your telephone call on Saturday, December 1, 1962. Needless to say, we liked the topic of conversation.

Would you please advise by return mail the exact date that you plan to be in Dayton, so that we will know how to plan our activities at that time.

The reactions relative to your conversation has been well received, however, we would like to discuss some of the basic items involved in making a move such as this. I am sure that there are no major items to be worked out, hence it will not take very much of your time while here.

We would like to know, in addition to the questions asked Saturday evening, how many Gospel Meetings that you have scheduled from June 1 to September 1 of 1962. This will help us to decide if it would be wise to make the change June 1, or September 1. If you were here before September 1, then we could be all settled and ready for full steam ahead, just as soon as school begins. This seems to be a boost to the attendance here in the Huber Heights area, at that time.

We will be looking forward to your visit with great enthusiasm.

With kindest personal regards, I am,

Yours very truly,

  
Robert E. Hartmann

PS: Again, you are welcome to stay here during your visit.
